GARMENT RAIL RANGE

Master Rail

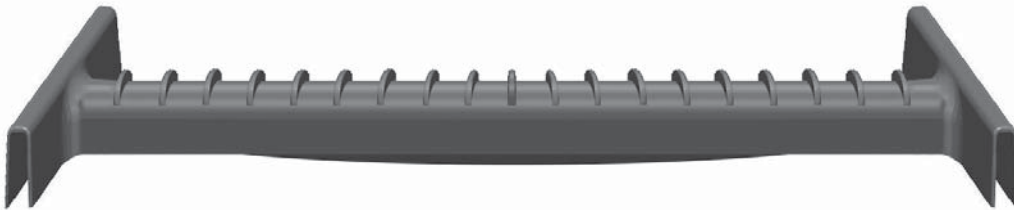

- Master Rail is a one-piece moulded rail designed to hold a number of garment hangers
- Primarily designed for use in a corrugate wardrobe removals case. Master Rail locks into position when the case is closed and secures garment hangers in place
- Also suitable for corrugated modular shelving systems
- Will work with all material types up to a thickness of 10mm
- Available in three sizes: 6", 12" and 18"
- Registered Design

6" Mini rail (15cm)

12" Maxi rail (30cm)

18" Master rail (45cm)

Master Rail in use in a wardrobe removals box

Master Rail is easy to fit

Master Rail ribs prevent movement of garments in transit

GARMENT RAIL RANGE

Multi Rail

A new design that secures garment hangers onto the rail to prevent sliding or falling in transit

- Secondary hanging facility ensures extra security in transit
- Will accept most types/sizes of garment hanger
- Robust, reusable and 100% recyclable
- Registered Design

- Higher nibs for extra hold
- Dual hanger locators prevent garment slipping or falling
